About Anglo Pacific

Anglo Pacific Group PLC is a global natural resources royalty and streaming company. The Company's strategy is to develop a leading international diversified royalty and streaming company with a portfolio centred on base metals and bulk materials, focusing on accelerating income growth through acquiring royalties on projects that are currently cash flow generating or are expected to be within the next 24 months, as well as investment in earlier stage royalties. It is a continuing policy of the Company to pay a substantial portion of these royalties to shareholders as dividends.
