Dear Shareholders

I am pleased to invite you, on behalf of the Board of Directors, to Anglo Pacific Group PLC's annual general meeting, which will be held at 11.00am on Monday, 13 May 2019 at the Royal Institution of Great Britain, 21 Albemarle Street, London W1S 4BS, United Kingdom.

This notice of meeting describes the business that will be proposed and sets out the procedures for your participation and voting. Your participation in the annual general meeting is important to Anglo Pacific and a valuable opportunity for the Board to consider with the shareholders the performance of the Group. Please note that only shareholders, proxy holders and corporate representatives in attendance at the meeting will be eligible to ask questions of the Directors.

I am pleased to include a resolution to elect a new director, Vanessa Dennett, to our Board whose appointment we announced in November 2018. Vanessa brings with her a wealth of transaction experience in the mining industry having held senior roles within Anglo American plc. Her commercial experience in negotiating and structuring transactions, investment process and corporate governance complements the finance and operational expertise of the Board. Vanessa has already made positive contributions to the Board and has proved a very helpful sounding board to our executive team, and we look forward to her continued participation in the coming years.

Your Directors are unanimously of the opinion that all resolutions proposed in this notice are in the best interests of shareholders and of Anglo Pacific as a whole. Accordingly, they recommend that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

If you are unable to attend the meeting in person, please complete and submit your proxy form in line with the instructions on pages 7 and 8. Submitting a proxy form will ensure your vote is recorded but does not prevent you from attending and voting at the meeting itself, if you would like to do so. The overall results of the votes at the meeting will be released to the market and published on Anglo Pacific's website as soon as practicable after the conclusion of the annual general meeting.

We look forward to your participation at the annual general meeting and thank you for your continued support.

Yours sincerely

**N.P.H. Meier**

Chairman

## EXPLANATORY NOTES TO THE PROPOSED RESOLUTIONS

Resolutions 1 to 14 (inclusive) are proposed as ordinary resolutions, which means that for each of those resolutions to be passed, more than half the votes cast must be cast in favour of the resolution. Resolutions 15 to 17 (inclusive) are proposed as special resolutions, which means that for each of those resolutions to be passed, at least three quarters of the votes cast must be cast in favour of the resolution.

### Resolution 1 – Annual Report and Accounts

The Directors are required to present to shareholders at the Annual General Meeting the Company's audited accounts and the Directors' and auditors' reports for the year ended 31 December 2018 ('2018 Annual Report and Accounts').

### Resolution 2 – Annual Remuneration Report

UK listed companies are required to put before their shareholders in a general meeting a resolution inviting shareholders to approve its annual report on remuneration. The Company's Annual Remuneration Report, which can be found on pages 72 to 77 of the 2018 Annual Report and Accounts, details the Directors' remuneration for the period ended 31 December 2018.

This resolution is advisory and does not affect the actual remuneration paid to any individual director. It serves to provide shareholder feedback to the Remuneration Committee.

As required by the Directors' Remuneration Report Regulations 2002, Deloitte LLP have audited those parts of the Annual Report on Remuneration capable of being audited and their report can be found on pages 72 to 77 of the 2018 Annual Report and Accounts.

### Resolution 3 – Directors' Remuneration Policy

The Directors' Remuneration Policy (the 'Policy') is set out on pages 65 to 72 of the 2018 Annual Report and Accounts. It sets out the Company's policy on remuneration and potential payments to directors going forward.

The Policy must be approved by shareholders (by means of a separate resolution) at least once every three years. The current Policy was approved by shareholders at the AGM in 2016 and is therefore due for renewal. The Policy for which we are seeking your approval this year remains largely unchanged from that approved by shareholders in 2016, with the exception of an element of deferral being introduced to the annual bonus plan for both the existing and prospective Executive Directors, together with the alignment of pension contributions to the wider workforce for prospective Executive Directors.

Once the Policy is approved, the Company will not be able to make a remuneration payment to a current or prospective director or a payment for loss of office to a current or past director unless that payment is consistent with the Policy or has been approved by a resolution of the members of the Company.

If resolution 3 is passed, this Directors' Remuneration Policy will take effect immediately and a remuneration policy will be put to shareholders again no later than the Company's AGM in 2022. If resolution 3 is not passed the remuneration policy approved at the 2016 AGM will continue in effect.

### Resolution 4 – Approval of final dividend

A final dividend can only be paid after it has been approved by the shareholders. A final dividend of 3.125p per ordinary share for the year ended 31 December 2018 is recommended by the Directors for payment on 30 May 2019, to shareholders who are on the register of members at the close of business on 17 May 2019.

### Resolutions 5-9 – Re-election of Directors

The Company's articles of association require the Directors to submit themselves for election at the first opportunity after their appointment and from then on for re-election every three years. Notwithstanding this, as in previous years, all of the Company's Directors wishing to continue in their role are offering themselves for re-election. Biographical details of each Director appear on page 57 of the 2018 Annual Report and Accounts and details of the Executive Director's service contract and the letters of appointment of the Non-Executive Directors with the Company appear on page 72.

The Board is of the opinion, and the Chairman has confirmed, that the performance of each of the Directors continues to be effective and to demonstrate commitment to his/her role. The Board unanimously recommends the re-election of all of the Directors standing for re-election.

### Resolutions 10 – Election of Director

Ms. V.A. Dennett is standing for election as a Non-Executive Director following her appointment to the Board on 1 November 2018. Ms. Dennett has over twenty-eight years' experience as an international lawyer, most recently as Senior Legal Counsel at Anglo American plc where she specialised in acquisitions, disposals and joint ventures in multiple commodities and jurisdictions as well as leading teams of lawyers based in the mining operations in various different jurisdictions. Prior to that she was a consultant in London at international law firm Hogan Lovells (then Lovells) and a Partner in Johannesburg at Webber Wentzel, a leading South African law firm with a long history of acting for mining clients. Ms. Dennett has a Bachelor of Arts and a Bachelor of Laws from the University of KwaZulu – Natal, South Africa (then University of Natal) and a Master of Laws from the University of Witwatersrand, South Africa. She is admitted as a solicitor in England and Wales (non-practising) and as an attorney, notary and conveyancer (also non-practising) in South Africa.

### Resolutions 11 and 12 – Appointment and remuneration of auditors

The auditors of a company must be appointed at each annual general meeting at which accounts are presented. Resolution 11, on the Audit Committee's recommendation, proposes the appointment of Deloitte LLP, until the next annual general meeting at which accounts are presented.

Resolution 12 is a separate resolution which gives authority to the Directors to determine the auditors' remuneration.

## EXPLANATORY NOTES TO THE PROPOSED RESOLUTIONS

*continued*

### **Resolution 13 – Authority to offer scrip dividends**

This resolution seeks to renew the authority granted at last year's Annual General Meeting for the Directors to offer shareholders the option to take dividends in ordinary shares instead of cash.

### **Resolution 14 – Authority to allot shares**

This resolution seeks to renew the existing authority, for the Directors to allot shares in the Company up to an aggregate nominal amount of £1,209,803, representing approximately one third of the Company's issued ordinary share capital at 5 April 2019. The authority contained in this resolution will expire at the conclusion of the 2020 Annual General Meeting or 30 June 2020, whichever is the earlier. The Directors consider that this authority is desirable to allow the Company to retain flexibility.

### **Resolution 15 – Disapplication of pre-emption rights (special resolution)**

This resolution seeks authority for the Directors, pursuant to the authority granted by resolution 14, to allot equity securities (as defined in the Companies Act 2006) or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings. Other than in connection with a rights or other similar issue, the authority contained in this resolution will be limited to an aggregate nominal amount of £362,940, representing 10% of the Company's issued ordinary share capital at 5 April 2019. No shares are currently held in treasury by the Company.

This disapplication authority is in line with institutional shareholder guidance and in particular as permitted by the revised Pre-Emption Group's Statement of Principles (the 'Statement of Principles') published in March 2015. In exercising the authority under resolution 14, the Company confirms, in accordance with the Statement of Principles, that it will only allot shares for cash on a non-preemptive basis in excess of 5% of its issued ordinary share capital (excluding treasury shares) where the allotment is in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six month period and is disclosed in the announcement of allotment. The Company also confirms that it does not intend to issue more than 7.5% of its issued ordinary share capital (excluding treasury shares) in any rolling three-year period, without prior consultation with shareholders (save as permitted in connection with an acquisition or specified capital investment as described above).

This resolution renews the present authority granted at the Annual General Meeting held on 15 May 2018, which is set to expire at the end of this year's Annual General Meeting. The authority granted by this resolution will expire at the conclusion of the 2020 Annual General Meeting or 30 June 2020, whichever is the earlier, following the passing of the resolution. The authority sought under this resolution provides the Company with greater flexibility in pursuing its strategy of building a diversified and growing portfolio of royalties which should generate long-term cash flow growth for shareholders.

### **Resolution 16 – Authority to purchase own shares (special resolution)**

The Directors are of the opinion that it would be advantageous for the Company to be in a position to purchase its own shares should market conditions and price justify such action. The Directors have no present intention of exercising this power and intend to exercise it only if they believe that the effect of such purchases will be to increase earnings per share. They will also have regard to whether, at the time, this represents the best use of the Company's resources and is to the benefit of the shareholders generally. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account in reaching such a decision.

Subsequently, this resolution seeks authority from shareholders to empower the Directors to make limited on-market purchases. The resolution limits this authority to a maximum number of ordinary shares that may be acquired of 18,147,039 being 10% of the Company's issued ordinary share capital at 5 April 2019. The authority conferred by this resolution will expire at the conclusion of the 2020 Annual General Meeting or 30 June 2020, whichever is the earlier, from the date of the passing of the resolution.

Any shares purchased under this authority will either be cancelled or held as treasury shares. As at 5 April 2019, there were options outstanding over 2,145,095 ordinary shares, which represent 1.18% of the Company's issued share capital at that date and would represent 1.31% of the Company's issued share capital if the authority to purchase the Company's ordinary shares were to be exercised in full.

### **Resolution 17 – Short notice of general meetings (special resolution)**

The implementation of the Shareholder Rights Directive in August 2009 increased the notice period required for general meetings of a company from 14 clear days to 21 clear days. However, companies have the ability to reduce this notice period to not less than 14 clear days, provided that they offer facilities for shareholders to vote and appoint proxies by electronic means and that, annually, shareholder approval is obtained. Annual general meetings must continue to be held on at least 21 clear days' notice.

The Directors are, therefore, proposing this resolution to seek such shareholder approval for 14 clear days to be the minimum period of notice for all general meetings of the Company, other than annual general meetings. The approval will expire at the conclusion of the 2020 Annual General Meeting, when it is intended that renewal of this authority will be sought. The shorter notice period would not be used as a matter of routine for such meetings, but only where this is merited by the nature or urgency of the business of the meeting and is thought to be to the advantage of shareholders as a whole.

## EXPLANATORY NOTES TO THE NOTICE OF MEETING

1. A member entitled to attend, speak and vote at the above meeting may appoint one or more persons as their proxy to exercise all or any of their rights to attend, speak and vote on their behalf at the meeting, provided that, if more than one proxy is appointed each proxy is appointed to exercise rights attaching to different shares held by that member. A proxy need not be a member of the Company. A Form of Proxy is enclosed with this notice. If you wish your proxy to speak at the meeting, you should appoint a proxy other than the chairman of the meeting and give your instructions to that proxy. Completion and return or submission electronically of the form of proxy will not prevent a member from attending the meeting and voting in person if he/she so wishes.
2. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
3. In order to be valid, Forms of Proxy for the meeting should be completed, signed and delivered (together with the power of attorney or other authority (if any) under which it is executed or a notarially certified copy of such power or authority) to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA, United Kingdom or submitted electronically not later than 48 hours before the time fixed for the meeting (excluding non-working days) or, in the case of a poll taken subsequently to the date of the meeting, or any adjourned meeting, not less than 48 hours before the time appointed for the taking of the poll or for holding the adjourned meeting (excluding non-working days). Shareholders who intend to appoint more than one proxy can photocopy the form of proxy prior to completion. The forms of proxy should be returned in the same envelope and each should indicate that it is one of more than one appointments being made.
4. An abstention (or 'vote withheld') option has been included on the Form of Proxy. The legal effect of choosing the abstention option on any resolution is that the shareholder concerned will be treated as not having voted on the relevant resolution. The number of votes in respect of which there are abstentions will, however, be counted and recorded, but disregarded in calculating the number of votes for or against each resolution.
5. Electronic Proxy Appointment ('EPA') is available for this Annual General Meeting ('AGM'). To appoint a proxy electronically log on to the Company's Registrars' website at [www.sharevote.co.uk](http://www.sharevote.co.uk). The Voting ID, Task ID and Shareholder Reference Number shown on your Form of Proxy will be required. Full details of the procedures are given on the website. Alternatively, if you have already registered with the Company's Registrars' online portfolio service, Shareview, you can submit your proxy by logging on to your portfolio at [www.shareview.co.uk](http://www.shareview.co.uk) using your usual user ID and password. Once logged in simply click 'View' on the 'My Investments' page, click on the link to vote then follow the on screen instructions. EPA will not be valid if received after 11.00am on 9 May 2019, or if the AGM is adjourned, 48 hours before the time for holding the adjourned AGM (excluding non-working days), and will not be accepted if found to contain a computer virus.
6. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for this meeting by following the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
7. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available at [www.euroclear.com](http://www.euroclear.com)). The message must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA19) not later than 48 hours before the time fixed for the meeting (excluding non-working days). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the proxy through other means. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
9. Attendees will be asked to confirm the details of the relevant shareholding they are representing and should bring proof of identity to the meeting.
10. A person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the 'Act') to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the member by whom he/ she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights. The statements of the rights of members in relation to the appointment of proxies in Notes 1 and 3 above do not apply to a Nominated Person. The rights described in those Notes can only be exercised by registered members of the Company.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act.
